

Document Control Policy

Project Name: Roommate Dashboard

Document ID: DocumentControlPolicy

Control Label: D0-v1-r1

Date: 2/4/2026

Prepared By: Group 6

1. Purpose

The purpose of this policy is to ensure all project documents are organized, traceable, and controlled. This helps the team manage updates and maintain consistent versions of all Phase 1 artifacts.

2. Scope

This policy applies to all project artifacts, including Vision, Mission, Requirements, Stakeholders, Diagrams, and all evidence documents.

3. Naming Convention

All documents will follow this naming format:

DocumentName_D#-v#-r#.pdf

Example:

Vision_D0-v1-r1.pdf

4. Control Label Rules

The control label format is:

D#-v#-r#

D = Draft number

v = Version number

r = Revision number

5. Version Update Rules

Minor edits (grammar, formatting) increase the revision number (r).

Major edits (new sections or major changes) increase the version number (v).

Draft number changes only when moving to a new project phase.

6. Storage and Access

All controlled documents will be stored in the team project folder and linked through the HTML landing page for easy access.
