

Mission

Project Name: Roommate Dashboard

Document ID: Mission

Control Label: D0-v1-r1

Date: 2/4/2026

Prepared By: Group 6

Mission Statement

The mission of the Roommate Dashboard is to provide roommates with a simple dashboard that helps them split shared bills, assign and track chores, and maintain a shared grocery list. The system will allow roommates to see household responsibilities clearly and reduce conflict caused by miscommunication.
